MISSION

Compaq College provides students with quality educational experiences and support services that lead to the successful completion of Diplomas, certificates, career/technical education and basic skills proficiency. The college fosters academic and career success through the development of critical thinking, effective communication, creativity, and cultural awareness in a safe, accessible and affordable learning environment. In meeting the needs of our demographically diverse student population, we embrace equity and accountability through measurable learning outcomes, ethical data-driven decisions and student achievement.

VISION

Compaq College is driven to provide excellent educational opportunities that are responsive to the needs of our students, and empower them to meet and exceed challenges as active participants in shaping the future of our world.

VALUES

- Student Success and Completion:** Meeting student needs by creating an educational environment in which students can attain a variety of goals.
- Excellence** : Maintaining a high standard of integrity and performance leading to the achievement of academic and career goals.
- Collaboration** : Seeking input from all sectors of the college and the community.
- Diversity** : Fostering a learning community in which the diverse values, goals, and learning styles of all students are recognized and supported.
- Life-Long Learning** : Encouraging enthusiastic, independent thinkers and learners striving for personal growth.
- Integrity** : Behaving ethically in all interactions at all levels.
- Technological Advancement** : Implementing cutting-edge technology that enhances instruction and prepares students for life-long success.

Brief History of The College

Compaq College has more than 5 years of experience in delivering quality education. Students are guaranteed qualified and experienced lecturers, and value for money in a conducive learning environment. The focus is on enhancing academic excellence through the discovery and pursuit of knowledge and on producing workers with sharp business acumen and creative skills.

Full time or part-time courses are of the highest quality and are designed to be directly relevant to the industry. You will find friendly, approachable staff (tutors and management) that welcomes students from all over Kenya and outside.
